HAPPY INDEPENDENCE DAY!

In this beautiful part of Washington State and in this great Nation, we have so much to be grateful for. The framing of the Declaration of Independence is surely an occasion to reflect upon and celebrate!

July is an especially active month, with the weather usually a very solid GO! for all your favorite summer activities. Vacations are planned and three-day weekends are common. Our South Whidbey community is a very friendly and inviting place filled with great food, activities and attractions.

Our little Harbor is in full swing in July, and reservations are highly recommended for overnight visits. We also encourage you to call and check availability for a short stay for breakfast, lunch or dinner.

Along with our high volume of vessel traffic, please also take extra caution on the water, especially near the shoreline or Harbor entrances and boat ramps. You will encounter a greater number of swimmers, kayakers, paddle boarders and crab trap floats and lines.
