Port of South Whidbey Announces Positions on the Fairgrounds Advisory Committee

In accordance with provisions of the Interlocal Agreement between Island County and the Port of South Whidbey, which transferred the County's fairgrounds property to the Port, the Port formed a Fairgrounds Advisory Committee of stakeholders to provide input to the Port Commissioners on the management of the property.

On an annual basis three positions (two At-Large representatives and one Tenant representative) are appointed to the committee by a majority vote of the permanent members of the committee. These three positions will be appointed at the Fairgrounds Advisory Committee meeting scheduled for October 25, 2019, at 3:00 pm in the Coffman Building on the Fairgrounds at 819 Camano Ave, Langley, WA 98260.

At-Large members can be any person from the South Whidbey community. However, At-Large members may not be a member of the organizations that make up the permanent Committee members, nor a Tenant of the Fairground.

The Tenant member can be any person/entity holding a current lease or contract for Fairgrounds facilities. Tenant organizations that hold a permanent Committee position are not eligible for the Tenant member position.

Persons interested in serving in either an At-Large or Tenant member position should mail a brief "Letter of Interest" that outlines their qualifications and/or desire to serve on the Committee to the Port of South Whidbey, PO Box 872, Freeland, WA 98249; or deliver in person to the Port office at 1804 Scott Road, suite 101, Freeland, WA 98249. Letters of Interest must arrive no later than close of business on Monday, October 14, 2019 in order to be considered by the Committee.
