#### PUBLIC COMMENT

**Pete Grimlund** from the South Whidbey Yacht Club asked if the Port would be pursuing expansion of the South Whidbey Harbor and/or mooring buoys outside of the Harbor. Easton said they would discuss the topic during the Executive Director's report.

**Mike Gallion** said his surveys of public opinion indicates agreement that there is a need for all types of housing, including workforce housing but the majority oppose any type of housing on the Fairgrounds property.

### EXECUTIVE DIRECTOR REPORT

**Financial Update and July 2024 Financial Statement:** The Commission acknowledged receipt of the July 2024 Financial Statement, the Preliminary Profit & Loss for August 2024, and the performance graphs which were distributed to them previously. Executive Director Angi Mozer reported the Port received approximately \$77,000 in operating, tax, and capital revenue and incurred approximately \$210,000 in operating and capital expenses during July 2024. Ending cash balance at 7/31/24 was \$900,000, consisting of \$324,000 in the General Fund and \$576,000 in the Bond Fund.

**2025 Budget:** Mozer provided a first draft of the preliminary budget which has the General Fund ending cash balance at \$411,000. She acknowledged the goal is to have \$500,000 and will continue to work on the numbers to reach it. Major capital projects for next year include the Clinton Dock and the purchase of a new pump out barge for South Whidbey Harbor, which would be eligible for 75% reimbursement from the Clean Vessel Grant program. She hopes to apply for a Recreation & Conservation Office grant to replace the boarding floats at Possession Beach Waterfront Park. The draft potentially includes \$30,000 for Tourism Development Grants. Mozer plans to include the cost to develop a Long-Term Capital Facilities Plan in the 2025 budget.

**Representative Dave Paul Visit to the Port of South Whidbey:** On August 26<sup>th</sup>, Mozer, Gordon and Easton met with Paul and presented the Clinton Dock Passenger Only Ferry and Fairgrounds Workforce Housing projects. Paul is interested in helping the Port obtain state funding; Mozer will submit the highest priority projects in need of funding to his office.

**South Whidbey Harbor:** In response to the earlier public comment, Mozer explained that the Port is not expanding the docks or the current existing structure, but the Port is open to installing mooring buoys.

### **Fairgrounds Capital Projects Update**

Workforce Housing Concept & Feasibility: The Port Commissioners will meet with the South Whidbey School District Board on September 11<sup>th</sup> to discuss the shared property line and the feasibility study.

<u>Campground:</u> Mozer received the final design drawings for the electrical and water upgrades earlier in the day. A hard copy was included in the paper meeting packet for the Commissioners. The engineer is ready to finalize the project manual. Next steps are to finalize the timeline as to when the project will go out to bid and the deadline to submit bids.

Window Treatments for the Pole Building: Ordered and should be installed soon.

<u>Operations & Events:</u> Little BIG Fest went well, and the thunderstorm added a lot to the "Silent Disco" experience. Although there is no coordinated event at the Fairgrounds for DjangoFest in September, attendees usually camp there and play music together around the property during that weekend.

**Port Presentation to Langley City Council:** Scheduled for Monday, September 16<sup>th</sup>. Mozer showed the draft slide deck she planned to present to the Council and the Commissioners discussed the general comments they planned to make during the presentation/discussion.

Clinton Dock: Permitting is ongoing; Mozer met with Washington State Dept of Transportation and Federal Highway Administration representative. She believes the Port will be able to start constructing the boarding floats while the in-water work continues through the permitting process. The grant funding requires that a contract to build the floats must be in place by September 2025. She also met with one of Washington State Ferries' lead engineers regarding the Clinton Dock Passenger-Only Ferry project and WSF's project to electrify the Clinton Ferry Trestle for the car ferries. They will need a substantial amount of uplands space for that infrastructure and will reach out to the Commissioners with a proposal if Port property is desirable for that purpose. WSF indicated they should be able to accommodate the amount of power the Port will need to support the Clinton Dock project.

City of Mukilteo Waterfront Planning: Mozer has expressed Whidbey Island's need for overnight and longer term parking at the two Mukilteo Parking Visioning Parking Task Force meetings she attended. The Port of Everett provided data on overnight parking and monthly permit parking in their new parking lot at the old WSF loading dock. They dedicate 20 spaces for monthly parking and have sold 35 monthly permits, so those are allowed to park in any space if permit spaces are full. Ng noted that they have an app that allows people to pay online for additional time if needed.

#### STATUS REPORTS

### **Port Operations**

Maintenance & Operations Supervisor Pat Kisch presented his August report. He purchased new axles and tires for the trailer used to launch the floats at **Possession Beach Waterfront Park**.

#### **South Whidbey Harbor**

Harbormaster Kathy Myers was absent, so Mozer presented the monthly report. In August there were 259 day stops and 371 overnight stays with the docks filled to capacity on the weekends. Winter moorage starts October 1st and there is still room for vessels 30' LOA or less.

#### ACTIVITIES/INVOLVEMENT REPORTS

**Gordon:** Council of Governments (COG), Island Regional Transportation Planning Organization (IRTPO) and Clinton Community Council (CCC)

**COG:** The meeting included a report from Emergency Management Deputy Director Eric Brooks, and a presentation from County Administrator Michael Jones on Rural County Economic Development funding. **IRTPO:** No report.

**CCC:** The CCC might hold another candidate forum. They are applying for a grant to fund a board retreat to focus on improving the board and its relationship with the public, etc.

**Ng:** Washington Public Ports Association (WPPA) and Port Promotion & Marketing Committee (P&M): **WPPA:** Easton and Gordon will attend the Small Ports Seminar in October. Ng plans to attend the Annual Member in December.

**P&M:** No meeting held.

Easton: Marine Resources Committee (MRC) and City of Langley Council Meetings

**MRC:** The MRC continues to work on updating the marine resource-related issues in the County's Comprehensive Plan. The MRC is holding a Shoreline Property Owners Workshop October 12<sup>th</sup> at the Oak Harbor Library from 10-2 to provide information on future expectations, and the types of resources and assistance that are available.

**WPPA Legislative Committee:** The Committee has created a list of initiatives mostly related to the larger reports. The Association of Cities and some other local governments are trying to change the existing limit of increasing property taxes to 1% from the prior year and have asked WPPA to join the effort in lobbying for that. WPPA is not sure if they want to weigh in on the issue or not.

Langley: No report.

End of month cash balance for August was \$226k in our General Operating Account and \$577k in our Bond Account. The financial statement and associated analyses (revenue and expense charts and cash flow) are attached.

### Fairgrounds Bond Invoice

Attached is a memorandum to transfer \$108,758 from our Bond Account designed for Fairgrounds capital improvements. This is to reimburse our General Account for the following expenditures:

- Burrier Building \$24,316 to repair the floor and to repair the foundation columns
- Food Booths \$84,442 to reinforce the foundation and back wall for a portion of the buildings

#### 2025 Budget

The 2025 Draft Budget has been updated; most changes are streamlining/scaling back the capital projects plan and accommodating adding a staff member to work on deferred maintenance at the Port's parks and facilities. This plan will still need some work to get closer to a \$500,000 cash balance at the end of the year. This budget does not yet plan for any State Legislature asks; I will incorporate that in the near future.

#### **Fairgrounds Projects**

Fairgrounds Workforce Housing Feasibility Study: The Port Commissioners met with the South Whidbey School District Board on Sept. 11. The Commissioners asked the School Board if they would like to participate in the housing feasibility study to include school district property. The School Board asked the Port to submit a request in writing for consideration. I have drafted a request and submitted it to the Superintendent, and we will discuss the request in the coming days. Superintendent Jo Moccia mentioned it may be November 13 before the Board will be able to address the request due to full agendas at their upcoming meetings.

**Campground:** Port staff has made final decisions on the planned campground hookups, and the City of Langley has reviewed the plans. We hope to be out to bid in October.

**Drainage:** Engineer's work on developing drainage solutions is ongoing.

Window treatments on the Pole Building windows: The window treatments have been installed.

**Coffman Flooring:** Valdez Construction has provided a quote for \$9,197 for a new rubber base with 24" x 24" commercial grade carpet tiles for the meeting space in Coffman.

Executive Director Report – OCTOBER 2024 Regular Meeting October 9, 2024

### Port Presentation to Langley City Council

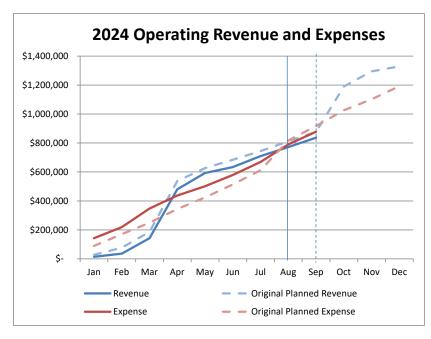

The Port's presentation to the Langley City Council to discuss the Port of South Whidbey and ports in general went well. The City is open to having a follow on joint meeting for further discussion on the port's Langley properties after the new year.

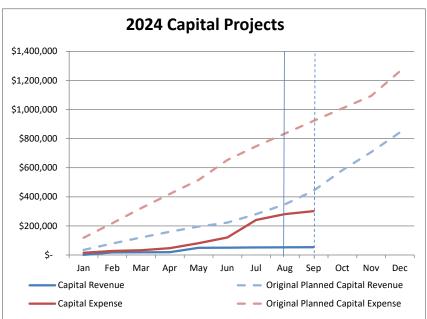

### Clinton Dock

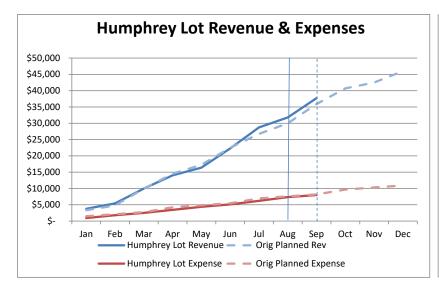

Planning for separating the floats construction from the overall project is going well. I am working with IRTPO, WSDOT and the Federal Highways Administration to achieve this creative approach. All agencies have indicated this approach is possible and have outlined their respective requirements for this to happen.

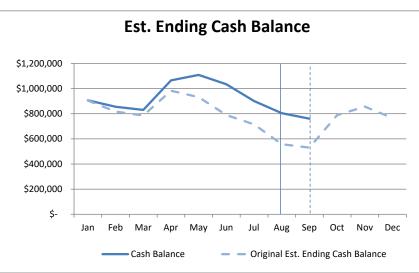

### Possession Beach Boarding Floats – RCO Grant Application

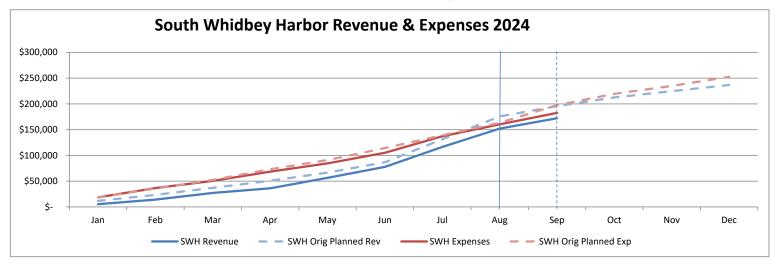

I plan to put together a grant application for the Possession Beach Boarding Floats by the deadline of October 31. Attached please find a Resolution authorizing me to submit this grant application for consideration.

#### **Fairgrounds Director**

Report – September 2024

Fairgrounds Events:

October 5<sup>th</sup> Whidbey Island Fair Annual Scarecrow Party October 19<sup>th</sup> Private event in Pole building

#### Tenants:

2025 leases are going out soon.

In the next month we will be tentatively adding a new full-time tenant to the Fairgrounds community. A non-profit called "Re Purpose", a group dedicated to environmental causes and proper waste disposal. They will be taking space in the Coffman building, particularly the alcove that was recently repaired, as well as some storage space in the food booth area.

#### Minor improvement projects-

We are sad that Tom Lindsay is no longer working at the fairgrounds, and we are once again on the hunt for both a maintenance person and part time facilities person. Just before he left Tom completed a number of safety repairs including replacing the broken stairs to the fairgrounds office, new non-slip tread on all the tenant's ramps, removal of a broken water fixture, and many more

New locks are being installed on the restrooms under the fairgrounds office this week, hoping to eliminate some of the issues we've had with unauthorized guests and showering.

I've been working on a new list of minor repair projects for the next year including updated safety lighting on all of the main buildings, signage and building identification, gutter cleaning and repairs, and safety planning in cooperation with local EMS services.

Campsite- We saw a small influx of campers during Django Fest. Looking forward to getting the campsite repairs and upgrades underway.

Marketing- We will be returning to the annual Langley Holiday Parade this year as well as hosting a community event to follow. Last year our "Holiday at Hogwarts" event was a big hit. This year the event will be called "Holiday Whobilee", a Doctor Suess themed family friendly event with local vendors and activities for kids.

Also, with a plan in mind to purchase a new sign for the fairgrounds entrance, we have been considering all the options for Fairgrounds logo or custom sign design. The vinyl sign that is currently at the front of the fairgrounds has been in place since the "Whidbey Island Fair" sign was removed several years ago.

#### **Maintenance and Operations**

#### Report

#### September 2024

While using the backhoe at Possession to remove blackberry vines, one of the hydraulic cylinders developed a leak. I ordered a seal replacement kit and attempted to make the repair myself. After disassembly, found the piston bolt was more than I could manage. I ended up taking the whole thing off island for repair. At the shop they advised polishing the ram and honing the bore, to help extend the new seals life, so I guess it was a worthwhile move.

Some of the blackberry vines that I was attacking, were integrated with the salal plants in front of the Possession house. I would have liked to retain the salal, but after trying several seasons to remove the black berries out, it was not working.

Also at Possession, we had the house treated for Post Beetles. This was a task we had identified a while ago as needing to be done, but definitely wanted to address it before reinsulating the floor.

Looking to remove boarding floats for the season at Bush Point on the 16<sup>th</sup> and Possession on the 22<sup>nd</sup>.
